

OneLightBulb.Org is a non-profit organization dedicated to **raising awareness** of global environmental concerns and **promoting energy conservation** throughout the world by educating individuals about the many ways they can make an **immediate impact** on protecting our planet by engaging in sustainable living practices, adopting alternative energy technologies and helping to save energy and reduce greenhouse gas emissions.

OneLightBulb.Org promotes **actionable programs** in homes, schools, businesses local governments and communities that support energy conservation. Our objectives are to produce and distribute **educational materials** that **guide** people and organizations on the **basic steps** that can be implemented **today** to help **dramatically reduce** our carbon footprint.

Your Contributions will support our efforts to raise awareness and *make an impact* across the globe. Join us in our mission to demonstrate how easy it can be to **make that simple first step** toward eliminating CO2 emissions and mitigating the causes of global climate change.

Your support for **OneLightBulb.Org's** informational "Action" programs includes:

- Promotion of **Energy Audit** programs for homes and businesses to reduce energy consumption, carbon emissions and save money.
- Promotion of **Local Green Business Expos** to foster local economic development, drive the adoption of local sustainable technologies and create jobs that will build and support local communities.
- Elementary and secondary **School Outreach** programs promoting the integration of sustainability and conservation ideas and practices into the classroom; and to show children how every individual can make a difference.
- Implementation of our **US Cities "Green Business Initiative"** that provide local Chamber's of Commerce across the nation a roadmap for leading conservation efforts and expanding commerce in their local communities.
- Distribution of brochures, bumper stickers and other **Marketing Material** to consumers, schools and businesses. Support for the OneLightBulb.Org website.
